

The Learning Lounge is now open in the Naumann Library! This is a wonderful learning atmosphere open to all students. Students are encouraged to fit into one of five different centers:

**Tutorial** – Classroom Teacher will provide information for students to be tutored. Tutorial stations will be grouped by K-2 and 3-5.

**Buddy Reading** - Students will read with an older buddy in case reading at home is an issue or if they need more time reading with a mentor. Buddies will sign off on reading.

**Technology Tutoring** - Students will use either Imath (Math) or IStation (Language Arts) to further their learning.

**Challenge** - Students may use this time like genius hour. They can come to the library to challenge their understanding of the world around them and use the resources the library offers.

**Reading Corner** - an awesome corner to dive into a great book.

All this will take place from 7:20am to 7:40am, Tuesday through Friday. We will have a wonderful group of teachers to assist Mrs. Jordan, Mrs. Mixon, and Mrs. Anderson every morning. We will have two grade level (K-2, 3-5) teachers leading tutoring each morning on a rotating basis from 7:20am - 7:30am.

The library has grown to become a wonderful hub for Naumann and it will continue to be a great source of collaborative learning and inquiry.

We look forward to The Learning Lounge being the place to be for Naumann Knights!
